History

#1 - 03/26/2019 10:29 AM - Ahmad Amer

- File economy query.txt added
- Assignee changed from Ahmad Amer to Abdelhalim Abu Qamar
- % Done changed from 0 to 50

Dear Halim,
please justify what is exactly not working ...
for the multi page , we discussed before that you should update the query to limit the records that you requested to be applied on the CROSSTAB component in the jasper report.

Note: review the query of the report , and the two links for the reports
