<b>Description</b>			
1- The document can be submitted with all required fields empty.			
2- Mandatory fields are not marked with Blue Asterisk, check screenshot attached.			
3- the field <input type="text"/> should be changed to <input type="text"/> to match fields in other submission forms			
4- Null error is displayed when the user fills the field <input type="text"/> with letters instead of digits   or <input type="text"/> with digits instead of letters - check screenshot attached			
5- a server error is displayed when the user submits the document with filled data, check screenshot attached			
6- the number filled in the passport number has commas added in between the digits, it's only a display issue as the number is set correctly in the Database.
