Dear Abd, the Employee that you trying to renew his work permit has 6 active work permissions, so he must have just one active work permission (satatus=1) and the end date for this permission is less than the current date (sysdate)

Dear Attallah,

Please note that I changed all work permissions to status "0" and I made the end date less than sysdate. Still, no action happened on the "Related Business Table" after trying to approve the request.

Request Code: 1090000003753

Refer to the attached snapshot.
