New enhancement on First step (Researcher Step) :
When a serial number of deceased person is entered and the file status is (□□□□□) or (□□□□□ □□□□□□□), the social status field will be enabled and the user can submit the task.
but if the file status is (□□□□) or (□□□□□□□), the social status field still disabled and an error message will show and the user cannot submit the task.
