You are comparing old READONLY form (opened by clicking trxNo) with new SUBMISSION form (opened by clicking icon next to transactionStatus).

If you will compare old SUBMISSION form (opened by clicking icon next to transactionStatus) with new SUBMISSION form (opened by clicking icon next to transactionStatus) you will find that both forms are behaving same.

#2 - 09/19/2017 02:59 PM - Saja Nakhleh

- Assignee changed from Saja Nakhleh to Anil Verani

the read-only forms open with the old form theme

#3 - 09/24/2017 10:46 AM - Anil Verani

- Assignee changed from Anil Verani to Saja Nakhleh

So what is your point? We are not changing READONLY forms to new theme.

#4 - 09/24/2017 11:58 AM - Saja Nakhleh
